

CitySmart celebrates

PARK(ing) DAY!®

People in more than 500 cities all over the world (including Cambridge, Boston, and Brookline) will **transform parking spaces into temporary parks for the day**. Check out the five park(ing) spots on Mass Ave in Porter Square. Visit LivableStreets.info/parkingday for a regional listing of additional park(ing) spots.

AND IF YOU LIVE IN NORTH CAMBRIDGE, be SURE to sign up for **CitySmart**: a pilot program only available in your neighborhood, and only available until October 1st. The City of Cambridge is offering free kits of information about taking public transit, riding bicycles, walking, and ride sharing.

Order today by calling 617-349-4631 or online:
www.cambridgema.gov/citysmart

CitySmart: Getting there can be half the fun.
